Version 1

Not everything labeled "outdoor kitchen" is fully integrated, functional and beautiful. We want to make it affordable and real.

Real life.

Really living.

For those who can imagine it, your dreams of year round, outdoor entertaining can become a reality - for your family and your guests. We incorporate local designers and quality workmanship to create solutions for any size yard and all different budgets. The result is outdoor living spaces that make entertaining and the California lifestyle truly enjoyable and care free.

Fully integrated designs that will impress your friends and inspire your neighbors.

Real life.

Really living.

Version 2

What constitutes an "outdoor kitchen"? What, for that matter, is an "outdoor living space"? Not everything labeled "outdoor kitchen" is fully integrated, functional and beautiful. For those who can imagine it, your dreams of year round, outdoor entertaining can become a reality, for your family and your guests.

We incorporate local designers and quality workmanship to create solutions for any size yard and all different budgets. The result is outdoor living spaces that make entertaining and the California lifestyle truly enjoyable and care free.
