

## Frequently Asked Questions

### **Q: What is Rush Creations?**

Rush Creations is a family owned residential remodeling company specializing in luxury outdoor living spaces and designer outdoor kitchens, providing custom built solutions for any size yard and all different budgets.

### **Q: What makes Rush Creations special?**

We offer free consultations to find out about your lifestyle, how you like to entertain, what you feel is important in order to fully enjoy your backyard. We take the time to listen to your needs! Our professional design staff is involved in every project so that what you get not only fits with the exterior of your home, it fits with your lifestyle.

### **Q: How is Rush Creations different from other companies that offer “outdoor living”?**

Rush Creations is a residential remodeling company with years of construction experience. We have experience handling all aspects of construction and proudly stand behind our work! By incorporating quality materials and quality workmanship into every project -- whether it is a custom outdoor kitchen, bbq island, outdoor fireplace, pool or patio structure -- it will add permanent and lasting value to your home.

### **Q: What’s the difference between Rush Creations and the prefabricated outdoor kitchens and gas grills available at Costco, Home Depot and other distributors?**

The key difference is found in the quality of materials, selection and durability of the products. Rush Creations constructs each project utilizing outdoor rated materials -- whether it is a custom outdoor kitchen, bbq island, outdoor fireplace, pool or patio structure -- it will add permanent and lasting value to your home.
