***Specialty product lines available for outdoor living spaces and outdoor kitchen projects!***

**Kalamazoo Outdoor Gourmet Product Line:**

An exclusive line of custom, high end barbeque grills, grill islands, martini bars and complete modular outdoor kitchen units

**Lynx:** Commercial/professional quality outdoor grills. In use today by many professional chefs/ restaurants including Red Lobster, TGIFriday's, AppleBee's, Wolfgang Puck (both personally and in his restaurant), Hard Rock Café and the Hilton

**Evo Flattop Grills:** The newest innovative outdoor cooking product on the market today, includes no exposed flame, easy clean up and is a great get-together favorite in outdoor cooking for friends and family.

**Kitchen Aid:** Full outdoor product line includes barbeque grills, refrigerator, icemaker, bartender center, outdoor rated under-counter dishwasher. Complements indoor Kitchen Aid product lines.

**Thermador:** Well recognized brand, comes fully ready to install. Patented Charbroil technology.

**Alfresco:** Commercial quality grills. Infrared ceramic sear technology (SureSear) and Lifetime Warranty. Extensive, innovative product line with many different options available.

**Big Green Egg:** The best charcoal outdoor smoker and grill in the World. State of the art ceramic smoker, based on Kamado smokers of Japan. Very loyal customer base, full line of accessories.

**Mugnaini Wood Pizza Oven:** Several different oven sizes to choose from, fully customizable architecturally. Italian fire bricks imported from Tuscan, Italy. The VIP of wood pizza ovens.

**Infratech:** Infrared electric heating unit heats 10' x 10' area. Radiant heat \$.38 per hour to use, very efficient, affordable and silent! Makes for a very comfortable outdoor environment.

**Sunpak:** Mounted to shade structure Natural gas intense warmth. Very effective, but not suggested for use in windy conditions.

**Patio Comfort:** liquid propane heater, stand alone, very recognizable and used often to heat restaurant patios.

**Tuff Grass:** A versatile and durable alternative to traditional grass. Very popular in arid climates where water is metered. Never mow or water your lawn again! Pet approved!

**Rox Pro:** Natural stone and flagstone adhered to mesh matting that allow for streamlined installation! Call for more details!

**Special discounts available to Builders/Contractors and Designers!**
